# About Us

Wellfleet Student is a leader in providing colleges and universities with student healthcare solutions. Wellfleet Student is a division of Wellfleet, a Berkshire Hathaway company.

Our team works collectively to accomplish one goal -- to help empower student members to lead healthier lives and become better consumers of health care. This simple but impactful mission is seen in everything we do. With an intense focus on the Triple Aim and innovative features like our new CareConnect Behavioral Health program, we offer solutions to problems faced by the student population and university client administrators.

## The Wellfleet Difference

Combining more than 25 years of experience in student health administration with carriers rated A++ (Superior) by A.M. Best, Wellfleet Student is the best of both worlds -- and the perfect student insurance partner.

## Designed for Students

Wellfleet Student Nurseline was designed to fit the needs and schedules of the college student population.

If students require assistance, we're here to answer questions about their care. Students in need of assistance, simply call the toll-free number any time.

## How it Works?

Engaging with Nurseline from Wellfleet Student is simple. Student members simply call 1-800-634-7629 and receive immediate assistance from a registered nurse.

## When to Call

Students should call when seeking professional medical assistance; for example, when they're not sure if they should go to the doctor or Emergency Room or are seeking answers to personal medical questions like:

- "I think I just sprained my wrist. Should I have an X-ray?"
- "I've heard about a new drug for weight loss. Could it help me?"
- "My doctor said I need to have surgery. What are my alternatives?"
