How Do I Waive/Enroll?

To Waive Coverage:

Most full-time students will be automatically enrolled in the Student Health Insurance Plan, unless a waiver has been completed by the specified deadline dates listed. The premium for the Plan will be added to your tuition bill.

Exempt University Programs: While most full-time students are automatically billed for the UConn Student Health Insurance Plan, there are some university programs that are exempt from the health insurance requirement. Due to multiple changes of University Program classification it is advised that ALL students check their tuition fee bill to determine if the fee for the insurance has been posted. If the change has not been posted, you may still be eligible to voluntarily enroll in the student health insurance plan.

If after review of the coverage a student wants to formally decline (waive) the Wellfleet/UConn Student Health Insurance Plan, the online waiver must be completed. The online Waiver is accessed through the student administration (PeopleSoft) system at www.studentadmin.uconn.edu. Your UConn NetID number and unique password are needed to access the system. The only acceptable form of notification to decline the coverage is via the online waiver.

The deadline to waive coverage is

- Fall Term 09/15/2022
- Spring Term 02/05/2023

By submitting the waiver request, you agree that your current insurance plan may be contacted for confirmation that your coverage is in force for the applicable policy year and that it meets the school's waiver requirements
