Different benefits may be payable for Covered Medical Expenses rendered by In-Network Providers versus Out-of-Network Providers, as shown in the Schedule of Benefits.

When You receive Emergency Services, or Out-of-Network air Ambulance Services, or certain non-emergency Treatment by an Out-of-Network Provider at an In-Network Hospital or Ambulatory Surgical Center, You are protected from Surprise Billing. In these situations, Your cost sharing responsibility will be calculated as if the total amount that would be charged for the services by an In-Network Provider or facility were equal to the Recognized Amount for the services, which is generally defined either as an amount set by state law or the lesser of the billed charges and the Qualifying Payment Amount. Refer to the Preferred Provider Organization provision in the How The Plan Works And Description Of Benefits section for additional information.

Our reimbursement policies

We reserve the right to apply Our reimbursement policies to all Out-of-Network services including involuntary services. Our reimbursement policies may affect the Usual and Customary Charge. These policies consider:

- The duration and complexity of a service
- When multiple procedures are billed at the same time, whether additional overhead is required
- Whether an Assistant Surgeon is necessary for the service
- If follow-up care is included
- Whether other characteristics modify or make a particular service unique
- When a charge includes more than one claim line, whether any services described by a claim line are part of or related to the primary service provided
- The educational level, licensure or length of training of the provider

In some instances, We may negotiate a lower rate with Out-of-Network Providers.

Our reimbursement policies are based on Our review of:

- The Centers for Medicare and Medicaid Services' (CMS) National Correct Coding Initiative (NCCI) and other external materials that say what billing and coding practices are and are not appropriate;
- Generally accepted standards of medical and dental practice;
- The views of Physicians and dentists practicing in the relevant clinical areas.

We use commercial software to administer some of these policies. The policies may be different for professional services and facility services.

No payment will be made under this Certificate for any expenses incurred which, in Our judgment, are in excess of Usual and Customary Charges.

SECTION IV – HOW THE PLAN WORKS AND DESCRIPTION OF BENEFITS

Schedule of Benefits

The following are shown in the Schedule of Benefits:

- Deductible;
- Any specified benefit maximums;
- Coinsurance percentages;
- Copayment amounts; and
- Out-of-Pocket Maximums.

How the Deductible Works

Medical Deductible

The Medical Deductible amount (if any) is shown in the Schedule of Benefits.

This dollar amount is what the Insured Person has to incur in Covered Medical Expenses before benefits are payable under this Certificate. This amount will apply on an individual basis. The Medical Deductible applies to all Covered Medical Expenses, unless specifically noted. Any expenses that the Insured Person incurs that are not Covered Medical Expenses are not applied toward the Insured Person's Medical Deductible.

Covered Medical Expenses applied to the In-Network Provider Medical Deductible will not apply to the Out-of-Network Provider Medical Deductible. Covered Medical Expenses applied to the Out-of-Network Provider Medical Deductible will not apply to the In-Network Provider Medical Deductible.

Individual

The Medical Deductible is an amount the individual must incur for In-Network Provider and Out-of-Network Provider Covered Medical Expenses before the plan pays. This Medical Deductible applies separately to the Insured Student. After the amount of Covered Medical Expenses the Insured Person incurs reaches the Medical Deductible, this plan will pay for Covered Medical Expenses as shown on the Schedule of Benefits for the rest of the Policy Year.

Coinsurance is the percentage of Covered Medical Expenses that We pay. The Coinsurance percentage is stated in the Schedule of Benefits. The Coinsurance is separate and not part of any Deductible and/or Copayment.

Copayment is a specified dollar amount You must pay for specified Covered Medical Expenses. Any Copayment amounts are shown in the Schedule of Benefits.

How Your Out-of-Pocket Maximum Works

The In-Network Provider and Out-of-Network Provider Out-of-Pocket Maximums are shown in the Schedule of Benefits. The Out-of-Pocket Maximum is the amount of Covered Medical Expenses the Insured Person has to incur before Covered Medical Expense will be paid at 100% for the remainder of the Policy Year, subject to any benefit maximums or limits that may apply. Any applicable Coinsurance amounts, Deductibles, and Copayments will apply toward the Out-of-Pocket Maximum.

Services that are not Covered Medical Expenses balance-billed charges, and Premium do not count toward meeting the Out-of-Pocket Maximum.

Covered Medical Expenses applied to the In-Network Provider Out-of-Pocket Maximum will not be applied to satisfy the Out-of-Network Provider Out-of-Pocket Maximum and Covered Medical Expenses applied to the Out-of-Network Provider Out-of-Pocket Maximum will not be applied to satisfy the In-Network Provider Out-of-Pocket Maximum.

The Out-of-Pocket Maximum is the maximum amount of Covered Medical Expenses the Insured Person will incur for Copayments, Coinsurance, and Deductibles during the Policy Year. This plan has an individual Out-of-Pocket

Maximum.

Individual

Once the amount of the Copayments, Coinsurance, and Deductibles the Insured Student have incurred for Covered Medical Expenses during the Policy Year meets the:

- In-Network Provider individual Out-of-Pocket Maximum, this plan will pay:
 - 100% of the Negotiated Charge for In-Network Provider Covered Medical Expenses
- Out-of-Network Provider individual Out-of-Pocket Maximum, this plan will pay:
 - 100% of the Usual and Customary Charge for Out-of-Network Covered Medical Expenses

that apply towards the limits for the rest of the Policy Year for that covered individual.

The Out-of-Pocket Maximum is the maximum amount of Covered Medical Expenses the Insured Person is responsible to incur during the Policy Year. This plan has an individual Out-of-Pocket Maximum.

Essential Health Benefits

Essential Health Benefits are not subject to annual or lifetime dollar limits. If additional specific care, Treatment or services are added to the list of Essential Health Benefits by a governing authority, the Certificate benefits will be amended to comply with such changes.

Treatment of Covered Injury and Covered Sickness Benefit

If:

1. You incur expenses as the result of Covered Injury or Covered Sickness, then
2. We will pay the benefits stated in the Schedule of Benefits for the services, Treatments, and supplies described in the Covered Medical Expenses provision below.

Payment will be made, subject to the Coinsurance, Deductible, Copayment, maximums, and limits as stated in the Schedule of Benefits:

1. For the Negotiated Charge at an In-Network Provider or the Usual and Customary Charge at an Out-of-Network Provider for Covered Medical Expenses that are incurred as the result of a Covered Injury or Covered Sickness; and
2. Subject to the Exclusions and Limitations provision.

Medical Benefit Payments for In-Network Provider and Out-of-Network Providers

This Certificate provides benefits based on the type of health care provider the Insured Student selects. This Certificate provides access to both In-Network Providers and Out-of-Network Providers. Different benefits may be payable for Covered Medical Expenses rendered by In-Network Providers versus Out-of-Network Providers, as shown in the Schedule of Benefits.

Dental and Vision Benefit Payments

For dental and vision benefits, You may choose any dental or vision provider.

For dental, different benefits may be payable based on type of service, as shown in the Schedule of Benefits.

Preferred Provider Organization

If You use an In-Network Provider, this Certificate will pay the Coinsurance percentage of the Negotiated Charge for Covered Medical Expenses shown in the Schedule of Benefits.

If an Out-of-Network Provider is used, this Certificate will pay the Coinsurance percentage of the Usual and Customary Charge for Covered Medical Expenses shown in the Schedule of Benefits. The difference between the provider fee and the Coinsurance amount paid by Us will be Your responsibility.

Note, however, that We will pay at the In-Network level for Treatment by an Out-of-Network Provider, and will calculate Your cost sharing amount at the In-Network Provider level, and Your cost share will be applied to Your In-Network Deductible and Out-of-Pocket Maximum if:

1. there is no In-Network Provider in the Preferred Provider service area available to provide a Preventive Service or treat You for a specific Covered Injury or Covered Sickness; or
2. You have an Emergency Medical Condition and receive Emergency Services from an Out-of-Network Provider or facility. The most the Out-of-Network Provider or facility may bill You is the In-Network cost sharing amount (such as Deductibles, Copayments and Coinsurance). You can't be balance billed for these Emergency Services. This includes services You may get after You're in stable condition, unless the Out-of-Network Provider or facility determines that You can travel using non-medical or non-emergency transportation, the Out-of-Network Provider satisfies the consent and notice requirements, and You are in a condition to receive notice of, and to consent to, Out-of-Network Treatment; or
3. You receive non-Emergency Services from an In-Network Hospital or Ambulatory Surgical Center, but certain providers there may be Out-of-Network Providers. In these cases, the most those Out-of-Network Providers may bill You is the In-Network cost sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, Assistant Surgeon, hospitalist, or intensivist services. These Out-of-Network Providers can't balance bill You and may not ask You to give up Your protections not to be balance billed.

However, if You received notice from the Out-of-Network Provider of their non-network status at least 72 hours in advance, or if You make an appointment within 72 hours of the services being delivered and notice and consent is given on the date of the service, and You gave written consent to Treatment, this Certificate will pay Covered Medical Expenses at the Out-of-Network level as shown in the Schedule of Benefits. This notice and consent exception does not apply to ancillary services, which include items and services related to emergency medicine, anesthesiology, pathology, radiology, and neonatology, whether provided by a Physician or non-Physician practitioner; items and services provided by Assistant Surgeons, hospitalists, and intensivists; diagnostic services, including radiology and laboratory services; and items and services provided by an Out-of-Network Provider in circumstances where there is no In-Network Provider who can furnish the item or service at the relevant facility.

You should be aware that In-Network Hospitals may be staffed with Out-of-Network Providers. Receiving services from an In-Network Hospital does not guarantee that all charges will be paid at the In-Network Provider level of benefits. It is important that You verify that Your Physicians are In-Network Providers each time You call for an appointment or at the time of service.

Continuity of Care

If You are undergoing an active course of Treatment with an In-Network Provider, You may request continuation of Treatment by such In-Network Provider in the event the In-Network Provider's contract has terminated with the Preferred Provider Organization. We shall notify You of the termination of the In-Network Provider's contract at least 60 days in advance. When circumstances related to the termination render such notice impossible, We shall provide affected enrollees as much notice as is reasonably possible. The notice given must include instructions on obtaining an alternate provider and must offer Our assistance with obtaining an alternate provider and ensuring that there is no inappropriate disruption in Your ongoing Treatment. We shall permit You to continue to be covered, with respect to the course of Treatment with the provider, for a transitional period of at least 90 days from the date of the notice to You of the termination except that if You are in the second trimester of pregnancy at the time of the termination and the provider is treating You during the pregnancy. The transitional period must extend through the provision of postpartum care directly related to the pregnancy.

Surprise Bill

A surprise bill is a bill for covered medical services rendered by an Out-of-Network Provider at a Preferred Provider facility during:

- A service or procedure performed by an In-Network Provider.
- During a service or procedure previously approved or authorized by Us and the Insured Person did not knowingly elect to obtain such services from the Out-of-Network Provider.

A Surprise bill does not include a bill for Covered Medical Expenses received by an Insured Person when an In-Network Provider was available to render such services and the Insured Person knowingly elected to obtain the services from another provider who was Out- of-Network.

With respect to a Surprise Bill:

- An Insured Person will only be required to pay the applicable Coinsurance, Copayment, Deductible or other out-of-pocket expense that would be imposed for Covered Medical Expenses if services were rendered by an In-Network Provider.
- We must reimburse the Out-of-Network Provider or Insured Person, as applicable, for Covered Medical Expenses rendered at the In-Network Provider rate under the Insured Person's plan as payment in full unless We and the provider agree otherwise.

If Covered Medical Expenses were rendered to an Insured Person by an Out-of-Network Provider and We failed to inform the Insured Person, if the Insured Person was required to be informed, of the network status of the provider, We may not impose a Coinsurance, Copayment, Deductible or other out-of-pocket expense that is greater than the Coinsurance, Copayment, Deductible or other out-of-pocket expense that would be imposed if services were rendered by an In-Network Provider.

Pre-Certification Process

The Primary plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans does not exceed 100% of the total Allowable expense.

DEFINITIONS

1. A Plan is any of the following that provides benefits or services for medical or dental care or Treatment. If separate policies are used to provide coordinated coverage for members of a group, the separate policies are considered parts of the same plan and there is no COB among those separate policies.
 - a. Plan includes: group and nongroup insurance policies, health insuring corporation ("HIC") policies, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care policies, such as skilled nursing care; medical benefits under group or individual automobile policies; and Medicare or any other federal governmental plan, as permitted by law.
 - b. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; supplemental coverage as described in state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each Certificate for coverage under a. or b. is a separate Plan. If a Plan has 2 parts and COB rules apply only to 1 of the 2, each of the parts is treated as a separate Plan.

2. This plan means, in a COB provision, the part of the Certificate providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the Certificate providing health care benefits is separate from this plan. A Certificate may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

3. The order of benefit determination rules determine whether This plan is a Primary plan or Secondary plan when the person has health care coverage under more than 1 Plan.

When This plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable expense.

4. Allowable expense is a health care expense, including Deductibles, Coinsurance and Copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging You is not an Allowable expense.

The following are examples of expenses that are not Allowable expenses:

- a. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable expense, unless 1 of the Plans provides coverage for private hospital room expenses.
 - b. If a person is covered by 2 or more Plans that compute their benefit payments on the basis of Usual and Customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable expense.
 - c. If a person is covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable expense.
 - d. If a person is covered by 1 Plan that calculates its benefits or services on the basis of Usual and Customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary plan's payment arrangement shall be the Allowable expense for all Plans. However, if the provider has contracted with the Secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary plan's payment arrangement and if the provider's Policy permits, the negotiated fee or payment shall be the Allowable expense used by the Secondary plan to determine its benefits.
 - e. The amount of any benefit reduction by the Primary plan because You failed to comply with the Plan provisions is not an Allowable expense. Examples of these types of plan provisions include second surgical opinions, Pre-Certification of admissions, and preferred provider arrangements.
5. Closed panel plan is a Plan that provides health care benefits to Insured Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.
 6. Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by 2 or more Plans, the rules for determining the order of benefit payments are as follows:

- A. The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
- B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying

plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the Policyholder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed panel plan to provide Out-of-Network Provider benefits.

C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

D. Each Plan determines its order of benefits using the first of the following rules that apply:

1. Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, Policyholder, subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two (2) Plans is reversed so that the Plan covering the person as an employee, member, Policyholder, subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.
2. Dependent child covered under more than one plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - a. For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - i. The Plan of the parent whose birthday falls earlier in the calendar year is the Primary plan; or
 - ii. If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary plan.

However, if one spouse's plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), We will follow the rules of that plan.

- b. For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - i. If a court decree states that one (1) of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - ii. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;
 - iii. If a court decree states that the parents have joint custody without specifying that 1 parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or
 - iv. If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The Plan covering the custodial parent;
 - The Plan covering the spouse of the custodial parent;
 - The Plan covering the non-custodial parent; and then
 - The Plan covering the spouse of the non-custodial parent.
- c. For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.
- d. a. For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in paragraph (5) applies.
b. In the event the dependent child's coverage under the spouse's plan began on the same date as the

dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in subparagraph (a) to the dependent child's parent(s) and the dependent's spouse.

3. Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
4. COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
5. Longer or shorter length of coverage. The Plan that covered the person as an employee, member, Policyholder, subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.
6. If the preceding rules do not determine the order of benefits, the Allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, this plan will not pay more than it would have paid had it been the Primary plan.

EFFECT ON THE BENEFITS OF THIS PLAN

- A. When This plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable expenses. In determining the amount to be paid for any claim, the Secondary plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable expense under its Plan that is unpaid by the Primary plan. The Secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable expense for that claim. In addition, the Secondary plan shall credit to its plan Deductible any amounts it would have credited to its Deductible in the absence of other health care coverage.
- B. If an Insured Person is enrolled in 2 or more Closed panel plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by 1 Closed panel plan, COB shall not apply between that Plan and other Closed panel plans.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This plan and other Plans. Our Agent or We may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This plan and other Plans covering the person claiming benefits. Our Agent or We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This plan must give Our Agent or We any facts it needs to apply those rules and determine benefits payable.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount that should have been paid under This plan. If it does, Our Agent or We may pay that amount to the organization that made that payment. That amount will then be

treated as though it were a benefit paid under This plan. Our Agent or We will not have to pay that amount again. The term payment made includes providing benefits in the form of services, in which case payment made means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by Our Agent or We is more than it should have paid under this COB provision, it may recover the excess from one (1) or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the Insured Person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

SECTION VII - GENERAL PROVISIONS

Entire Contract Changes

The Policy, this Certificate, including the application, endorsements and attached papers, if any, constitutes the entire contract of insurance. No change in the Policy or Certificate will be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon. No agent has authority to change the Policy or Certificate or waive any of its provisions.

Time Limit on Certain Defenses

No claim for loss incurred or disability, as defined in the Certificate, commencing after 3 years from the date of issue of this Certificate shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this Certificate.

Statements

All statements contained in any application for insurance shall be deemed representations and not warranties.

Notice of Claim

Written or electronic notice of a claim must be given to Us within 90 days after the date of Injury or commencement of Sickness covered by this Certificate, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to Our authorized agent, with information sufficient to identify You will be deemed notice to Us.

Claim Forms

We, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by Us for filing proofs of Loss. If these forms are not given to the claimant within 15 days, the claimant will meet the proof of Loss requirements by giving Us a written statement of the nature and extent of the Loss within the time limits stated in the Proofs of Loss provision.

Proof of Loss

Written proof of Loss must be furnished to Us or to Our authorized agent within 90 days after the date of such Loss. If it was not reasonably possible to give written proof in the time required, We may not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible. The proof required must be given no later than one (1) year from the time specified unless the claimant was legally incapacitated.

Time of Payment

Indemnities payable under this Certificate will be paid immediately upon receipt of due proof of such Loss but no later than 30 days.

Payment of Claims

Benefits will be paid to You. Loss of life benefits, if any, will be payable in accordance with the beneficiary

designation in effect at the time of payment. If no such designation or provision is then effective, the benefits will be payable to Your estate. Any other accrued indemnities unpaid at the time of Your death may, at Our option, be paid either to such beneficiary or to such estate.

If benefits are payable to Your estate or to a beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity, up to an amount not exceeding \$1,000.00, to any one relative by blood or connection by marriage to You who is deemed by Us to be equitably entitled thereto. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment.

We may pay all or a portion of any indemnities provided for health care services to the provider, unless You direct otherwise, in writing, by the time proofs of Loss are filed. We cannot require that the services be rendered by a particular provider.

Assignment

You may assign Out-of-Network benefits payable under this Certificate. In-network benefits are billed directly by the provider. We are not bound by an assignment unless it is in writing and until a duplicate of the original assignment has been filed with Us. We assume no responsibility regarding the validity of any assignment or payment made without notice of a prior assignment.

Physical Examination and Autopsy

We, at Our own expense, will have the right and opportunity to examine the person of an individual whose Injury or Sickness is the basis of a claim when and as often as it may reasonably require during the pendency of a claim hereunder. In the case of Your death, We may have an autopsy performed unless prohibited by law.

Legal Actions

No action at law or in equity will be brought to recover on this Certificate prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Certificate. No such action will be brought after the expiration of three years after the time written proof of Loss is required to be furnished.

Conformity with State Statutes

Any provision of this Certificate which, on its Effective Date, is in conflict with the statutes of the state in which this Certificate was delivered or issued for delivery is hereby amended to conform to the minimum requirements of such statutes.

Grace Period

A Policy Grace Period of 31 days will be granted for payment of required Premiums due after the first Premium, unless:

1. We do not intend to renew the Policy beyond the period for which Premium has been accepted; and
2. Written notice of Our intention not to renew is delivered to the Policyholder at least 31 days before the Premium is due.

The Policy will be in force during the Policy Grace Period. If the required Premiums are not paid during the Policy Grace Period, insurance will end on the last day of the Grace Period. The Policyholder is liable to Us for any unpaid Premium for the time the Policy was in force.

Premium Rate Changes

We will not change the Premium rate more than once in a 12-month period. Such notice will either be delivered or mailed to the last known address on file with Us. A copy of such notice may also be sent to the Policyholder's agent, if any, at his or her last address on file with Us. The rate change will become effective on the date stated in the notice or the next Premium due date following the 60th day after We mail or deliver the notice, whichever is later. We will not increase Premium rates more frequently than annually, unless one of the events described

below occurs.

We may change the Premium rate during a Policy Term if any one of the following occurs:

1. the terms of the Policy change;
2. a change in any federal or state law or regulation is enacted, adopted or amended to the extent it affects Our benefit obligations under the Policy;
3. the number of Insured Persons or persons eligible for coverage increases or decreases by more than 10% since the later of the Policy Effective Date and the date of the last renewal of the Policy;
4. coverage is reinstated following failure to pay Premium during the Grace Period;
5. an acquisition, merger, consolidation, divestiture, corporate reorganization or purchase or sale of assets affecting, increasing or decreasing by 10% or more the number of eligible persons Insured Persons;
6. the Policyholder fails to provide sufficient information, as required by Us, to confirm adequacy of Premiums and rates currently being paid.

Any increase or decrease in rate will take effect on the date of the applicable change specified above, subject to required notification. A pro rata adjustment will apply from the date of the change to the end of any period for which Premium has been paid.

SECTION VIII - ADDITIONAL PROVISIONS

1. We do not assume any responsibility for the validity of assignment.
2. You will have free choice of a legally qualified Physician with the understanding that the Physician-patient relationship will be maintained.
3. Our acknowledgment of the receipt of notice given under this Certificate, or the furnishing of forms for filing proofs of Loss or acceptance of such proof, or the investigation of any claim hereunder will not operate as a waiver of any of Our rights in defense of any claim arising under this Certificate.
4. This Certificate is not in lieu of and does not affect any requirement of coverage by Workers' Compensation Insurance.
5. All new persons in the groups or classes eligible to and applying for this insurance will be added in the respective groups or classes in which they are eligible.
6. The insurance of any Insured Person will not be prejudiced by the failure on the part of the Policyholder to transmit reports, pay Premium or comply with any of the provisions of this Certificate when such failure is due to inadvertent error or clerical mistake.
7. All books and records of the Policyholder containing information pertinent to this insurance will be open to examination by Us during the Certificate term and within one year after the termination of this Certificate.
8. Benefits are payable under this Certificate only for those expenses incurred while You are covered. No benefits are payable for expenses incurred after the date Your insurance terminates, except as may be provided under an Extension of Benefits.

SECTION IX – APPEALS PROCEDURE

If You have a claim that is denied by Us, You have the right to appeal it. Your Authorized Representative may act on Your behalf in pursuing a benefit claim or appeal of an Adverse Benefit Determination.

If You receive Emergency Services from an Out-of-Network Provider, or You incur non-emergency Covered Medical Expenses from an Out-of-Network Provider at an In-Network Hospital or Ambulatory Surgical Center, and You believe those services should have been paid at the In-Network level, You have the right to appeal that claim. If Your appeal of a Surprise Billing claim is denied, You have a right to seek an external review by an Independent Review Organization (IRO) as set out in the Standard External Review and Expedited External Review provisions appearing in this section.

For purposes of this Section, the following definitions apply:

Adverse Benefit Determination means any of the following: a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a participant's or beneficiary's eligibility to participate in a plan, and including, a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be Experimental or Investigational or not Medically Necessary or appropriate.

Appeal or Internal Appeal: Review by a plan or issuer of an Adverse Benefit Determination.

Authorized Representative: An individual who by law or by the consent of a person may act on behalf of the person.

Complaint: An inquiry to Wellfleet Insurance Company about covered services, an Insured Person's rights or other issues or the communication of dissatisfaction about the quality of service or benefit or other issue which is not an Adverse Benefit Determination.

Clinical peer: A Physician or other licensed health care practitioner who holds a nonrestricted license in a state of the United States, is board certified in the same or similar specialty as typically manages the medical condition, procedure or treatment under review and whose compensation does not depend, directly or indirectly, upon the quantity, type, or cost of the medical condition, procedure or treatment that the Physician or other licensed health care practitioner approves or denies on Our behalf.

Grievance: A request submitted by an enrollee or an Authorized Representative.

Expedited (Urgent Care) Appeal: An appeal that must be reviewed under an expedited process because the application of non-expedited appeal time frames could seriously jeopardize an Insured Person's life or health or their ability to regain maximum function. In determining whether an appeal involves urgent care, Wellfleet Insurance Company must apply the judgment of a prudent layperson that possesses an average knowledge of health and medicine. An Expedited Appeal is also an appeal involving (a) care that the treating Physician deems urgent in nature; (b) the treating Physician determines that a delay in the care would subject the Insured Person to severe pain that could not adequately be managed without the care or Treatment that is being requested; or (c) the Insured Person is a cancer patient and the delay would subject the Insured Person to pain. Such appeal may be made by phone, fax or other available similarly quick method. An Expedited Appeal is not available for services already incurred.

Independent External Review: If the Insured Person receives a final adverse decision of an appeal, the Insured Person or the Insured Person's authorized representative who may include the treating Provider may appeal the adverse decision to the Bureau of Insurance for an Independent External Review.

Independent Review Organization: An entity that conducts independent external reviews of adverse determinations and final adverse determinations.

Post-service Appeal: An appeal for which an Adverse Benefit Determination has been rendered for a service that has already been provided.

Reconsideration: A review of a not Medically Necessary adverse decision, by either an independent Physician advisor, or a peer of the treating Provider who is licensed in the Provider’s same or similar specialty. The Insured Person, a Provider, or an Insured Person’s authorized representative may request reconsideration. Reconsiderations are a voluntary and optional step in Wellfleet Insurance Company’s appeal process. An Insured Person is not required to go through the Reconsideration process before filing an appeal.

Complaint Resolution

1. Administrative Complaints

Complaints due to the denial of services or payment of a claim must be reported no later than twelve (12) months from the date of service. Most complaints can be resolved by calling, or writing to, Our customer service department. The phone number and address are on the Insured Person’s ID card.

If an informal review does not resolve the reported complaint, the Insured Person will be notified of their right to appeal.

2. Quality of Care or Service Complaint

Quality of care complaints will be forwarded to the unit responsible for such investigations immediately upon receipt by customer service. We will send the Insured Person a written acknowledgment within fifteen (15) working days of receipt of the complaint. All quality of care complaints will be investigated and corrective action taken where problems and/or deficiencies are verified

3. If We cannot provide the Insured Person with a satisfactory solution to their complaint, the Insured Person may file a standard or urgent (if applicable) appeal for internal review by contacting Us at the address or phone number on the back of the Insured Person’s ID card or write to or call the Department of Insurance.

4. If We deny a claim as “not Medically Necessary” and cannot provide the Insured Person with a satisfactory solution to their complaint, the Insured Person may request an Independent External Review by calling State of Maine Bureau of Insurance for assistance at any time at 1-800-300-5000 or TTY 1-888-577-6690, visiting the website at www.maine.gov/insurance, or writing to Consumer Health Care Division, Maine Bureau of Insurance, 34 State House Station, Augusta, Maine 04333-0034

Internal Appeal Review Process

FIRST LEVEL APPEAL PROCESS:

Standard Appeals

The Insured Person, an authorized person, or a Provider, with the Insured Person’s consent, may submit a written appeal to Us if coverage is denied, reduced or terminated. Appeals must be received within one hundred eighty (180) days of the date the Insured Person receives written notification of the denial. If it was not reasonably possible to submit this written appeal within in the time required, We may not reduce or deny the claim for this reason if the proof is filed as soon as reasonable possible.

Appeals should be sent to:
Wellfleet Insurance Company
Attention: Appeals Unit
Wellfleet Group, LLC
P.O. Box 15369
Springfield, MA 01115-5369

The receipt of the grievance or appeal will be acknowledged in writing within three (3) days. The appeals staff will review all of the information. A decision will be made within thirty (30) calendar days of receipt for a Pre-Service Claim Appeal and within thirty (30) calendar days of receipt for a Post-Service Claim Appeal. This time period may

be extended for up to an additional sixty (60) calendar days if additional information is needed. The Insured Person will be notified in writing of the Appeals Department's decision.

A Post-Service Claims Appeal is an appeal of a decision to deny or reduce Benefits for claim that has already been incurred.

Urgent Appeals

The Insured Person, an authorized person or a Provider, with the Insured Person's consent, may request an Urgent Appeal. This request may be verbal or written. A decision will be made by phone within forty-eight (48) hours after receipt of all necessary information for an Urgent Appeal. A written notice of the decision will also be provided to the Insured Person within one (1) working day.

An Urgent Appeal is an appeal for which the medical condition, in the absence of immediate medical attention, may result in serious impairment to bodily functions, serious dysfunction of any bodily organ or part, severe pain that cannot be managed adequately, or places in serious jeopardy the health of an individual, and with respect to a pregnant woman, includes her unborn child.

For urgent health situations, the Insured Person may ask for an external review request at the same time as their internal appeal request. This decision will be made within one (1) working day after receipt of all necessary information and We will notify the Insured Person. The service will continue without liability to the Insured Person until the Insured Person has been notified.

The types of denials that can go to external review are:

1. Any denial that involves medical judgment (such as Medically Necessity, appropriateness, health care setting, level of care, or effectiveness of a covered benefit) where the Insured Person or their Provider may disagree with the health insurance plan.
2. Any denial that involves a determination that a Treatment is Experimental or Investigational.

SECOND LEVEL APPEAL PROCESS:

A second level grievance review is available to Insured Persons dissatisfied with the first level grievance review. An Insured Person or an Insured Person's Provider acting on the Insured Person's behalf may submit a second level grievance. Within three (3) days of receipt of a request for a second level review, the Insured Person will be provided with the following information:

1. Name, address and phone number of the grievance review coordinator;
2. Statement of the Insured Person's rights, including the right to:
 - a. Request and receive from Us all information relevant to the case;
 - b. Present his case to the review panel;
 - c. Submit supporting material prior to and at the review meeting;
 - d. Ask questions of any member of the panel;
 - e. Be assisted or represented by a person of the Insured Person's choosing, including an Immediate Family Member, authorized representative or attorney; and
 - f. Obtain his medical file and information relevant to the appeal free of charge upon request.

The second level grievance review meeting will be held within forty-five (45) days of receipt of the second level review request, and the Insured Person will receive at least fifteen (15) days notice of the meeting date. The Insured Person may attend the second level review if desired. If an attorney will be present to present Our case, the Insured Person will be notified at least fifteen (15) days in advance of the meeting date, and advised that the Insured Person has the right to obtain legal representation. Our written decision to the Insured Person and Provider (if applicable) shall be issued within five (5) business days after the review meeting, or thirty (30) calendar days if the Insured Person does not request to attend the review, and will contain:

1. The professional qualifications and licensure of the members of the review panel;

2. A statement of the review panel's understanding of the nature of the grievance and all pertinent facts;
3. The review panel's recommendation to Us and the basis behind that recommendation;
4. A description of or reference to the evidence or documents considered by the review panel in making the recommendation;
5. In the review of a clinical matter, a written statement of the clinical basis, including the clinical review criteria, that was used by the review panel to make the recommendation; and
6. Notice of the availability of the Commissioner's office for assistance, including the phone number and address of the Commissioner's office.

You have the right to waive a second level appeal and request an external review after the first level appeal process.

EMERGENCY SERVICES

1. We shall cover medical emergencies necessary to screen and stabilize an Insured Person and will not require prior authorization of such services.
2. If We authorize Emergency Services, We will not subsequently retract Our authorization after the Emergency Services have been provided or reduce payment for an item or service furnished in reliance on approval, unless the approval was based on fraudulent or materially incorrect information.

External Review Process

Under certain circumstances, the Insured Person has a right to an external appeal of a denial of coverage. Specifically, if We denied coverage on the basis that the service does not meet the plan's requirements for Medical Necessity (including appropriateness, health care setting, level of care, or effectiveness of a covered benefit) or is an Experimental or Investigational Treatment (including clinical trials and Treatments for rare diseases), the Insured Person or their representative may appeal that decision to an external appeal agent, an independent entity certified by the State to conduct such appeals. The Insured Person has a right to an external appeal if We failed to make a decision on an internal grievance within the time period required or otherwise failed to adhere to all the requirements applicable to the appeal pursuant to state and federal law.

The Insured Person, an authorized person or a Provider, with the Insured Person's consent, may request the external review within twelve (12) months after the receipt of the notice of adverse determination or final internal adverse benefit determination. You may request an external review from the State of Maine Bureau of Insurance by calling 1-800-300-5000 or TTY 1-888-577-6690, visiting the website at www.maine.gov/insurance, or writing to Consumer Health Care Division, Maine Bureau of Insurance, 34 State House Station, Augusta, Maine 04333-0034. The Maine Bureau of Insurance will provide the Insured Person with all necessary paperwork.

There is no charge to the Insured Person for the external review.

An external review decision must be made in accordance with the following requirements.

1. The Independent Review Organization (IRO) must give consideration to the appropriateness of the requested covered service based on the following:
 - a. All relevant clinical information relating to the Insured Person's physical and mental condition, including any competing clinical information;
 - b. Any concerns expressed by the Insured Person concerning their health status; and

In order to provide you with insurance coverage, we need Personal Information about you. We gather this information from a variety of sources including your employer, your health care provider, your school, other insurers, and third party administrators (TPAs). Your request must be in writing and must include the reason for the request. If we deny your request, you may file a written statement of disagreement.

You have the right to know who we have provided your information to - - this is known as an **accounting of disclosures**. A request for an accounting of disclosures must be submitted in writing to the address below. The accounting will not include disclosures made for treatment, payment, health care operations, for law enforcement purposes, or as otherwise permitted or required by law. If you request an accounting of disclosures more than once in a twelve (12) month period we may charge a reasonable fee to process, compile and deliver the information to you this second time.
